### **Volunteer Opportunity**

We will be putting together our membership letters and forms for mailing later this month. If you would have time to volunteer for the envelope stuffing, we will meet at the library on the 4th Tues - March 26 at 10:00. Please let Phyllis Banas know if you will be able to come. She can be reached at 662-5155 or by email at [pebanas@verizon.net](mailto:pebanas@verizon.net).

### **4th Tuesday Lecture Series**

“Armchair Traveler: Vietnam” A Talk by Mike Stock

Our 4th Tuesday Free Lecture Series will happen on that same evening. Join us Tuesday, March 26 at 7:00 pm. Orchard Park resident Mike Stock will speak about his recent travels to Vietnam. Since the war, Vietnam has made huge progress. The majority of the population now was born after the war and is more concerned with progress going forward than in its past. With excellent food, great shopping, beautiful beaches and cities, and delightful people, it is a fascinating country on the move. See the attached flyer.
